VOLUME XXXVIII

UNIVERSITY

Dedication

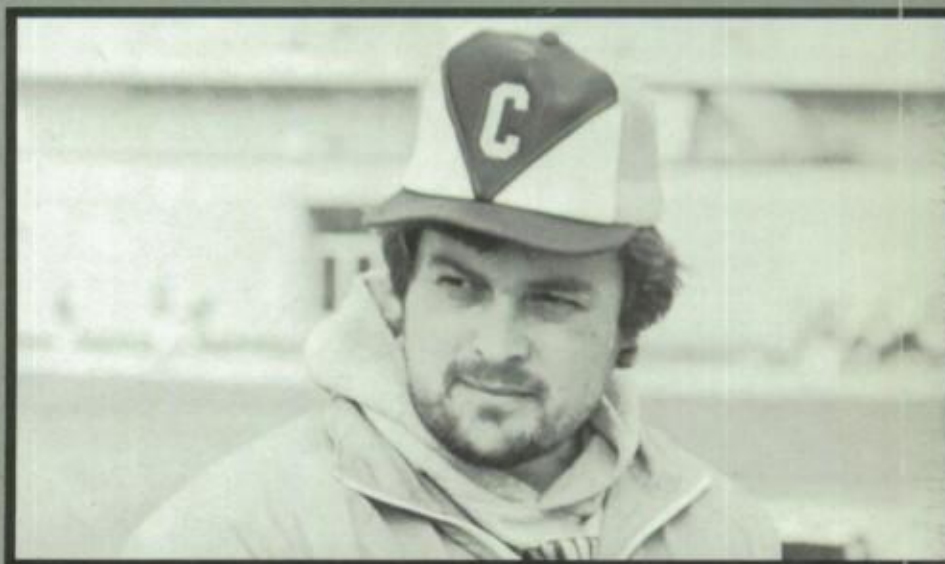

The 1988 Eagle is dedicated to two distinctive educators. Mr. Perekupka and Mrs. Shulman have, through their example, made a special mark on the class of eighty eight. This is our small way of thanking them for making us better students and better people.

As a devoted member of the Chichester faculty since 1975, Mrs. Shulman has proven herself worthy of this award. She has provided her students with the opportunity to publish their own literary works by bringing the Paper Unicorn to Chichester five years ago. This is just one example of her dedication to her students both inside and outside the classroom.

Fun and easygoing are two words that come to mind when thinking of Mr. Perekupka. Mr. "P" graduated from West Chester College with a Bachelors degree and is currently working towards his Masters degree. He has been teaching mathematics at Chichester since 1978. Besides his teaching responsibilities, Mr. Perekupka has devoted many hours to the students of Chichester. He is both a softball and volleyball coach along with being a former girls basketball coach. Chichester is fortunate to have such a caring and devoted teacher.

033.
TO a neat
person! Best of
luck. in all you do!
Keep in touch & have a
Super Summer!
Love,
Lara

A CHICHESTER LEGEND TONY
APICHELLA 1948-77

As we look back over the years,
 We'll remember the happy times and the tears.
 From the very first day we walked through the door
 We knew there were many surprises awaiting in store
 We've come a long way and our journey was tough
 We're concerned with our future and will it be rough?
 We'll always remember our friends and our fun
 Our successes and failures wherever we go.
 The classes and activities we shared with each other
 Have bound us together like sisters and brothers.
 Our teachers will always remain in our minds
 For their help and suggestions of all different kinds
 As we travel through life to wherever we roam
 We'll carry in our hearts cherished memories of our
 Clchester home.

The Lady Eagles soared through a history making '87 season landing the Del — Val Championship and a chance to compete in the district playoffs. Teamwork was the key factor that guided the team through a season in which every game could mean the championship. Their awareness of this fact was reflected in every step of team play. Their effort, Miss Oakes' enthusiasm and the team's hope for the title kept the team alive. Although many times considered the underdog, the Lady Eagles always came out on top. Their regular season in the Del — Val ended with the record of 8 — 0 — 2. CONGRATULATIONS GIRLS!!!!

RESERVED FOR MY BELOVED DINA MAE SOLUM

My Beloved Cameron,
Best of luck in all you do, why I don't ^{know} cause anything you do.
I hope everything
comes our way in the future, I'm sure it will. I'm really glad
you decided to ask me out, it was the best thing that ever happened
to me. Remember all the things we've been through and look
forward to all the things we yet did. But most of all, I love you
and always will. Happy Graduation... Senior!

Love Always,
Dina

Things to remember...
the first time you came over,
the first day of Geom. class,
our first kiss, Christmas, New
Years Eve, our in depth phone
conversations, our love for each other,
your first hair cut I gave you, the Pom,
meeting my parents, picking me up for home,
my lovely niece, my reckless nephew, my
fake nails, my fights with parents, my
meaningless jokes, etc. but most of all
is that I'll always, always, always
love you for who you are.

Things to forget...
our few fights, my frequent fights
with Mom, the pain of my ingrown
toenail, all my crying spells, etc.
and the phone fight (frequent)

all I really wanted to say was
that I love you, always will, and I'm here for
you whenever you need a shoulder to lean
on or cry on.
Love Always,
Forever Yours
Dina
